## HERITAGE COLLECTION

Typical of both the first BMW motorcycles and their riders was their no-nonsense, genuine character. This Style collection takes these traits and gives you the opportunity to revive them. Inspired by the iconic BMW Motorrad elements, this collection is reduced to the essentials and provided with historical references – no matter whether shirts, T-shirts, or selected accessories. The distinguished status of our factory in Berlin is also reflected in the striking "Berlin Built" insignia. Now discover our new classics for every day.

# ICONIC COLLECTION

True BMW Motorrad fans don't just carry their passion with them in their hearts, they show it proudly on their chests for everyone to see.

And that pride will look as cool as can be in our new Iconic Collection's casual T-shirts with stylish prints. And if designs featuring your favourite model aren't currently available, you might not have to wait much longer. New styles and models are being added to the range all the time.
